Case Number: 107731
Client: [REDACTED]
MID: 0001643066
Accident Date: 04/15/2008

Dear Christina Ctorides:

Enclosed is a dated list of claims that have been paid by Idaho Medicaid on behalf of [REDACTED]. The total claim amounts paid are included in our history through the date on the upper right hand corner of the enclosed itemization. However, as long as claims are submitted and paid, the total amount of the Department's claim may increase.

Please be advised that if a lawsuit is filed in this matter, notification to the Department is required. It is the Department's intention to intervene if necessary in order to ensure its claim amount in this matter is recovered.

Our tally of the report indicates the Department's claim currently totals [REDACTED]. Do not send payment of the Department's claim amount prior to calling our office to obtain a current lien amount and for a determination of the final amount due to the Department after its reduction for its prorated share of reasonable attorney fees and documented costs, according to Idaho Code, Section 56-209(b).

The Department requests that we be advised of any settlement offers, negotiations or hearings held in connection with this case. You do not have authority to compromise in any way the amount due the Department from the client's claim. If you are unable to agree to this, please notify the Department at once. Finally, if you file a lawsuit on behalf of the client, you are requested to provide a copy of the document to the Department at once.

Please notify our office if any discrepancies are discovered. If you need additional information to move forward on this case, please contact me.

Sincerely,

Mary Simmons
